Providence, Utah
May 31, 1941.

Dear Gayle,

School has been over for a week, yet we haven't had much time to see each other. It will seem awful not to see you 'til fall. Next year you'll have to come see me and visit College; maybe I'll have you wanting to go there too, I hope so.

We have had more fun this year than we ever have. I hate to think it will probably be the last year ^{we'll go to school together}.

It has been a pleasure knowing you. You have surely been a grand friend to me. I don't know what I would have done without you. Gee Whizz, your cute too, with a pleasant personality. Here's where the rule "Beats but dumb" goes haywire, for with your knowledge you'll go places.

Excuse the writing 'cause my pen just won't write. I'll be thinking of you when I get to Salt Lake. Don't work too hard, and beat all the other ball teams around here, and don't let it all down. I don't know yet what I did while you were in Chicago. I'm glad you could go tho, and thanks for the nice letters you wrote.

Remember the fun we had out to your place playing "monopoly," and also Croquet down to Fred's. I won't tell you to remember "play day" at the College and Oh, how tired we were, for I don't think you could forget.

Thanks for the ice cream, it was so good, and now I'm so full. The cake was good too.

If you possibly can, come to Idaho & I'll show you a good time. You have never been up there, is there any chance you will?

Just because I'll be in Logan next year is no reason for us not to see each other. You could come over some week-end & stay with me. Please do.

When we're as old as your grand-father will look back on our High School Days & wish we could live them over, even tho they have been full of trials & tribulations, "hard work & low marks" (for me, good ones for me). Success & happiness may our friendship continue on 'til eternity. Lots of love,
Julia Young.

P.S. Guess I'd better stop, your mother thinks I'm writing a book. I've been like home. B4. Judy.

FOREWORD

It is the sincere hope of the Souvenir Clarion Staff that as the students turn these pages, they will find reflected in the Eleventh written chapter of the history of our institution, an abundance of human interest; a portrayal of school life as they lived it.

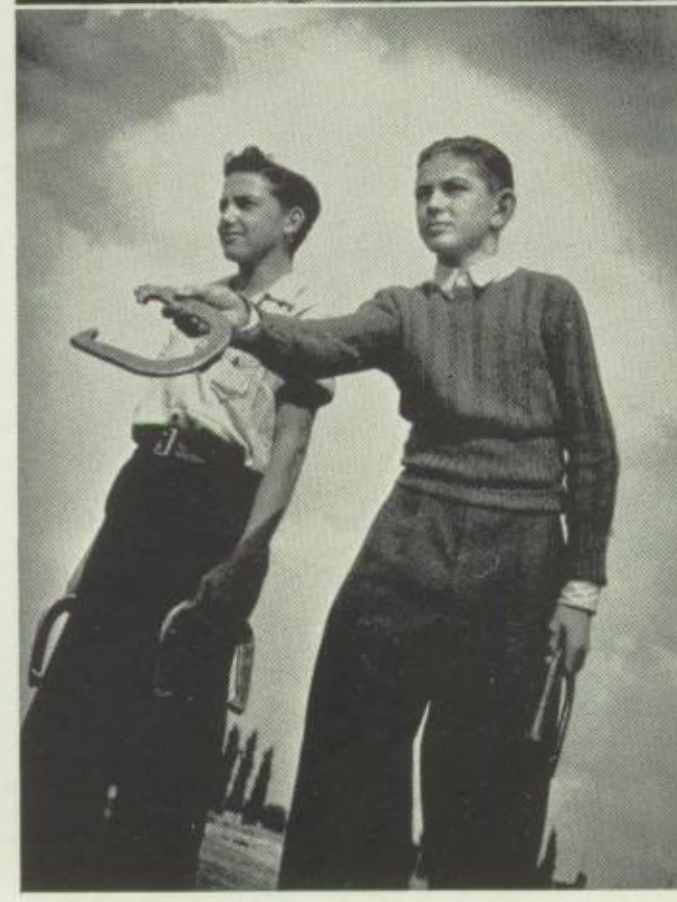

Dear Dale

 Happiness in your

To the Graduating Class of 1941 we memorably dedicate this edition of the Souvenir Clarion. High school days pass in a whirlwind of youthful activity and in the quest for a knowledge of richer and more joyful living. In each rotation of this whirlwind our Seniors have endlessly scattered throughout school fragments of honesty, loyalty, co-operation, leadership, and love of fellow students. In compensation for their contributions toward the betterment of our school, we sincerely hope that these students will carry away with them that which will enrich their future, aid in their progression, and facilitate the attainment of their ideals.

Dear Gayle,
 You are a good
 person and lots of fun.
 I have enjoyed your companionship

 then I hope to see you more time.

Another year has passed. To most of the students the year has been a successful one. These students have completed their work. They have made lasting friends. They have re-paid to the best of their ability, the investment paid by their parents and the other tax payers. They have lived up to the expectations of those who had faith in them. To these students we commend your efforts, and wish you continual success.

A few students, for many reasons, failed to succeed. To these students we hope they will find themselves and wish for them success and satisfaction.

To all students, parents, and friends of South Cache High School; GREETINGS.

The Student Body Executive Council of our school is selected by the students to plan the activities of the Student Body throughout the year. It is composed of the Student Body President, Vice President, Secretary, the Song Leaders and Cheer Leaders, a representative from each class and two faculty advisers.

The outstanding achievement of the year has been the organization of the Student Court. The court consists of two divisions: The Girls Division with Norma Kowallis officiating as judge, and the Boys Division with Clyde Larsen as judge. This activity was put into operation very effectively. Other features have been: Monthly Matinee dances, Rallies preceding every game, or a program each week, a Christmas Party, and an Election Dance.

This group has fulfilled, to the best of its ability, its purpose which is to sponsor Student Body functions.

SENIORS

Under the splendid leadership of Clent Crabtree, Leora Dattage and Reed Nielsen, the Senior Class of 1940-41 has completed a very successful year of moving activity and accomplishment.

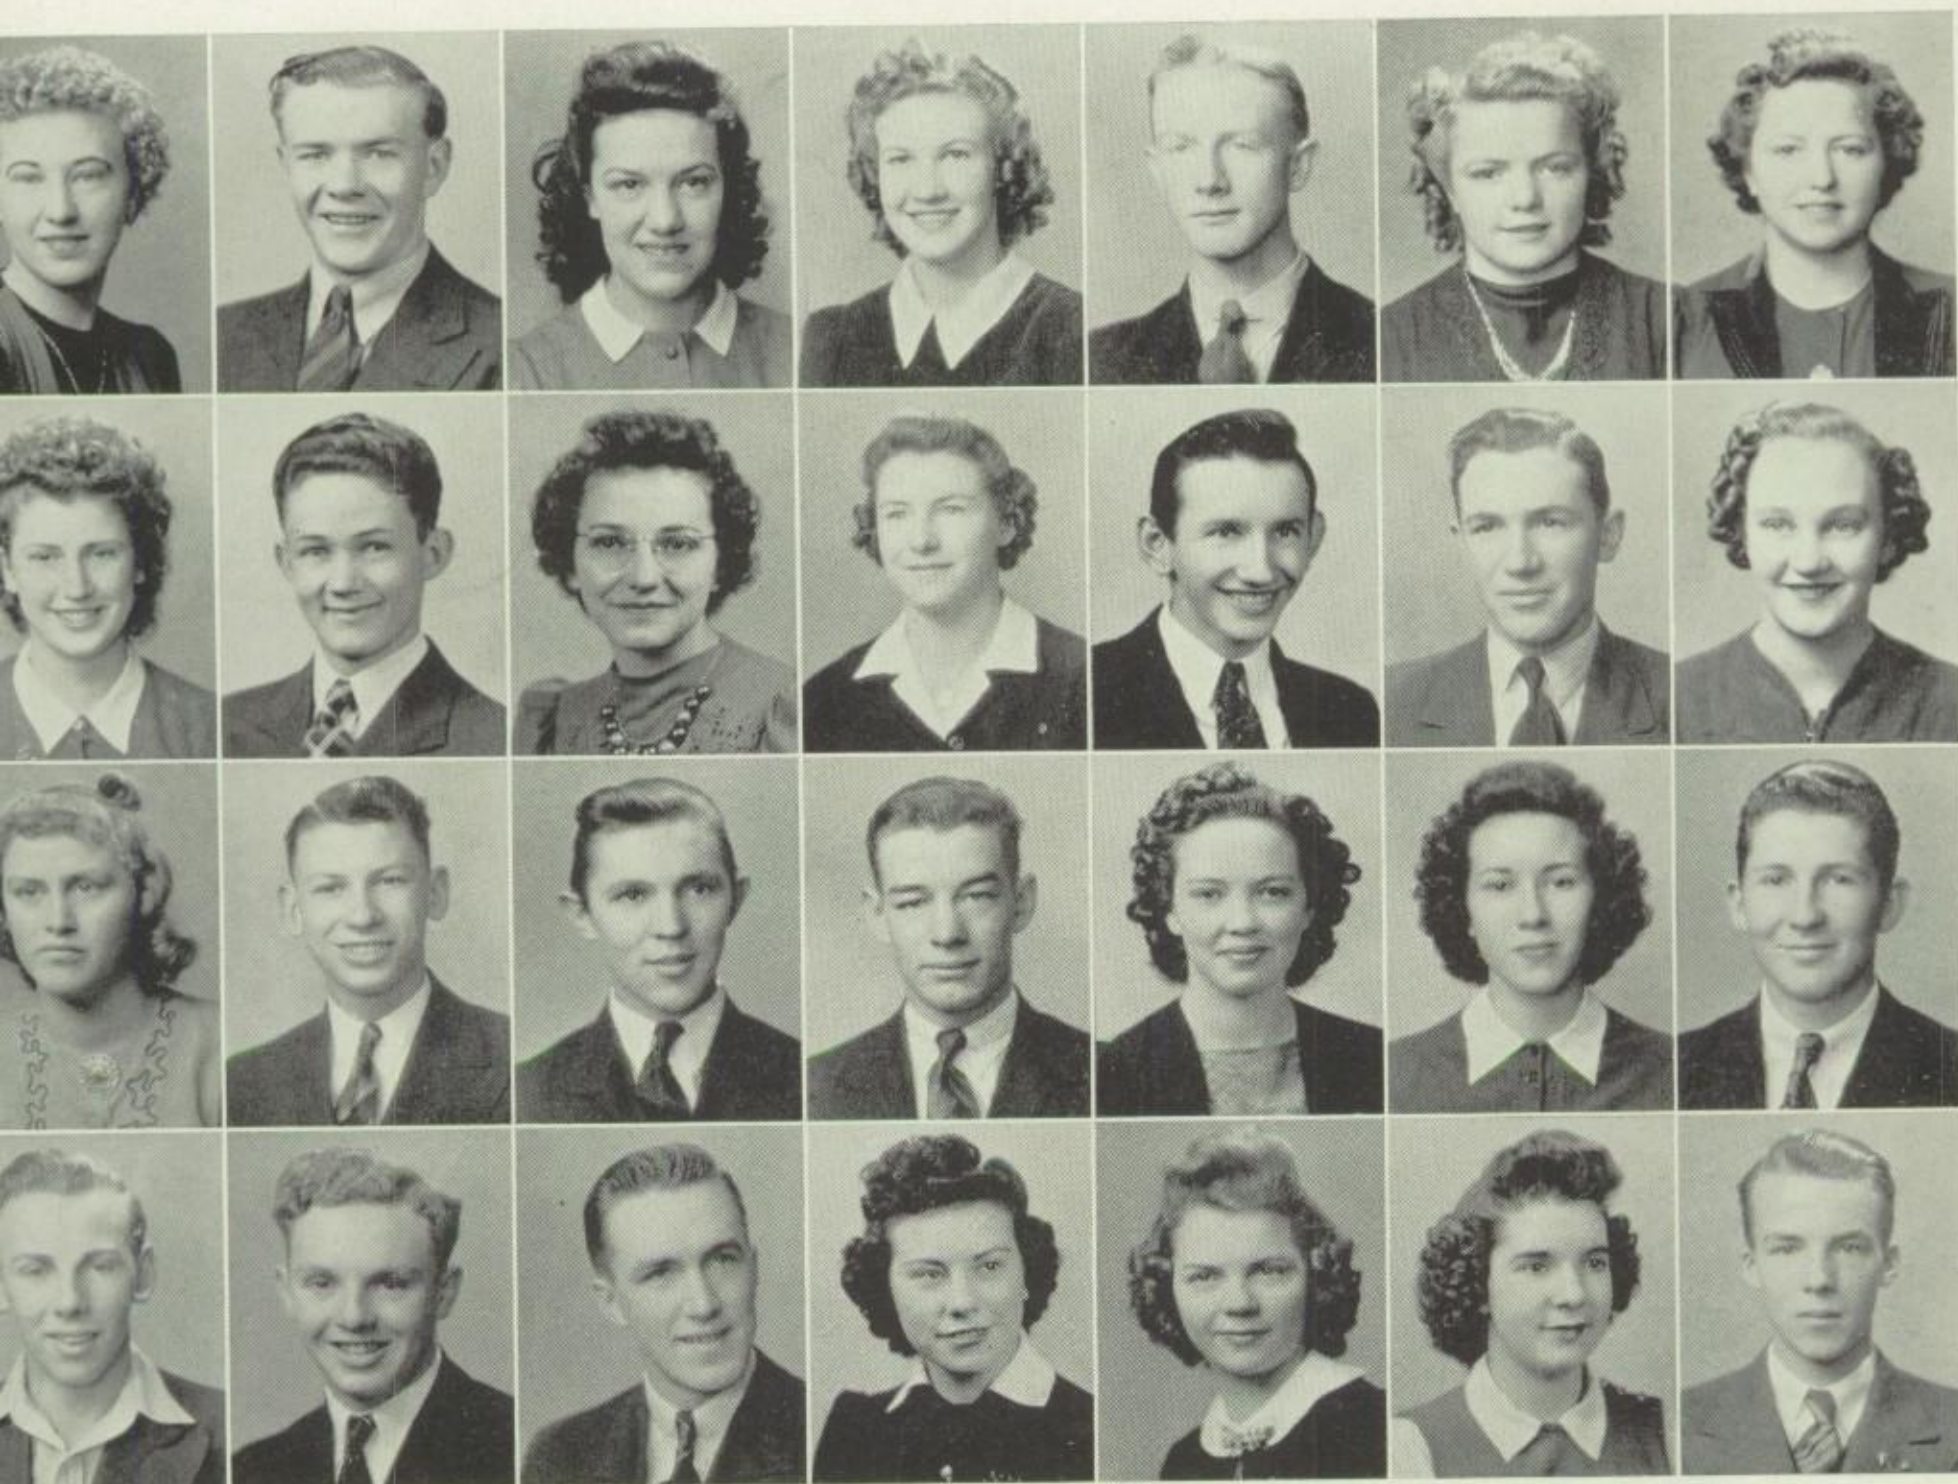

Some of the activities of this class which have been so outstanding are the beautiful booth for the Junior Prom; the Senior Hits, which were presented in vaudeville style; the debating teams from this class; the Senior Banquet; the success of the seniors on the athletic teams; and others which are too numerous to mention.

Along with the graduating class of 38-39, we invested in an electric scoreboard, which we hope will be beneficial to the school, as well as, a token of our sincere appreciation.

So at the end of our final and outstanding year, as we reluctantly bid goodbye to our many friends and associates, may we leave you with just one thought; Wherever we go or whatever we do, we shall always be proud to be graduates of this, Our South Cache High School.

SOUVENIR CLARION

The Souvenir Clarion makes its eleventh annual appearance this year. Fifty cents taken from the tuition fee of each student is the cost of the book.

It depicts the school life and activities of South Cache, including the school clubs, the Band, Athletics, Debating and the School Play. It also pictures the students of the graduating class of 1941.

It is the Souvenir Clarion Staff under the direction of Julia Theurer, Editor, that plan and prepare this book for the enjoyment of all the students.

First Row Left to Right: Virginia Lee, Joyce Obray, Julia Theurer, Ila Larsen, Patricia Smith and Bernell Jensen. Second Row: Elva McBride, Clyde Rust, Louise Woodward, Miss Clawson, Hoyt Kelley, Carol Nelson, and Garth Anhder. GIRLS ATHLETIC LEAGUE

The Girls Athletic League of our school is composed of girls in the various classes of Physical Education. The object of this club is to foster more interest in sports and to stimulate wholesome competition through Intramural games. The club also presents awards to the team boasting the most points during the year and the individual with the most points.

The membership of this league includes about 110 girls, and every girl participated in all activities. There are ten different activities on the Intramural program and a great deal of enthusiasm and interest has been displayed by the members.

The officers of the Girls Athletic League are Ruth Cooper, president; Jane Beutler, vice-president, Ella Bowen, secretary with Valmai Long as general manager and Leah Maughan as reporter.

DEBATING

The aim of the South Cache Debators this year has been to develop the ability to appear before audiences with ease and poise and to deliver more forceful speeches.

We feel that we have had a very successful year, under the able leadership of Mr. Carver. We participated in a Forensic Meet at North Cache, the Utah State Agricultural College, and the Utah Forensic League Tournament at the University of Utah. Through cooperation with the other four schools in this region, we have presented a radio program over KVNU every two weeks. In these programs, we have discussed problems of vital importance to all citizens. We presented one discussion over KVNU for the South Cache Parent-Teachers' Association.

Thirty-two students have participated in one of the following four activities: Debating, Panel Discussion, Oratory, and Extemporaneous Speaking.

The question for Debate was: Resolved that the Power of the Federal Government Should Be Increased. The topic for Panel Discussion was: How Can Our Educational System Fit Students for Community Service. The students selected their own topics for Oratory and the topics for Extemporaneous Speaking were on the United States Foreign Policy.

THE CLARION

This year the South Cache Clarion marked its 26th year of advancement by giving to the students the school news in first class style.

Two outstanding features of the paper are its annual Christmas poem and story contest (won by Georgia Price and Jean Bickmore), and the monthly exchanging of papers with other schools as far reaching as Hawaii.

The Staff: Julia Theurer, Editor; Joyce Obray, Associate Editor; Clyde Rust, Business Manager; Hoyt Kelly, Sports Editor; Garth Andher, Assistant Sports Editor; Clyde Larsen, Francis Maughan, Sports Reporters; Patricia Smith, Gloria Mathews, Humor; June Glenn, Louise Woodard, Student Body Reporters; Ruth Bowen, Norma Kowallis, Typists; Ella Fuhrman, Exchanges; Miss Joyce Clawson, Faculty Adviser.

BETTER GIRLS COUNCIL

The Better Girls Club is composed of all the girls of the school. The council is composed of the girl officers of the Student Body, a girl officer from each class and each club.

The aim of the club is to create an interest in all school activities and to broaden their ideals and create a friendliness among the girls.

Club officers for the year were: Ella Fuhrman, President; Ruth Bowen, Vice President; Jean Bickmore, Secretary; and Lelia Nielsen, Reporter.

One of the most successful events of the year was Girls' Day, at which time the mothers were entertained. In the evening, a dance for the Student Body climaxed the day's activities.

Back Row Left to Right: Nedra Larsen, Marilyn Watkins, Advisor, Miss Walker; Advisor, Mrs. Cummings; Advisor, Miss Poulsen; Ruth Bowen, Jean Bickmore.

Third Row: Julia Theurer, Carma Beuler, June Glenn.

Second Row: Ruth Cooper, Betty Jones, Leora Dattage, Lelia Nielsen, Gloy Allen.

First Row: Jane Beutler, Marion James.

SENIOR HITS

The Senior Hits, which is a tradition at this school, is one of the biggest events throughout the entire year for the seniors.

The Hits this year was in the form of a vaudeville featuring several short acts, interspersed with clever songs and dances. A one-act play entitled "Such Taking Ways" was also presented.

Twenty-five talented seniors appeared in this production which was under the supervision of class officers, Clent Crabtree, Leora Dattage, Reed Nielsen and Advisers Miss Poulsen and Mr. Randall.

DRAMATIC CLUB

The year 1940-41 completes the third year for the Dramatic Club of the South Cache High School. This organization is composed of fifty-two members. Everyone in the student body is eligible for membership if they are interested in dramatics of any type. The object of the Dramatic Club is to present the annual school play under the excellent supervision of Miss Evans and Miss Carlson.

Officers for 1940-41 were June Glenn, President; Norma Kowallis, Vice-President; Norene Larsen, Secretary; Garth Andher, Reporter and Edwin Pyle, Business Manager.

HOME ECONOMICS

One hundred eager homemakers from every branch of Home Economics comprised the membership of the Home Economics Club of 1940-1941. They attended monthly meetings and loyally supported club projects during the year.

Our theme for this year has been hobbies. In monthly meetings and in Home-making classes it has been our object to find and stimulate the special interest of each girl. We felt that this could best be accomplished by interesting the girls in hobbies.

Special activities for the year included first of all a Barn Dance, which was one of the most successful dances of the school year. In connection with the F.F.A., we sponsored this dance in place of the Harvest Ball of former years. Later on, the F.F.A. and H.E.C. held their Christmas party. This was a gala occasion, with presents and refreshments for all.

To climax a successful season we hope to send a large group of girls to Salt Lake City this spring to attend the annual Spring Festival.

AMICO FIDELIS

The Amico Fidelis Club, under the able leadership of club officers Carma Buehler, Carol Nelson, Julia Theurer, has successfully completed its 1940-41 year of social activities, which are conducted for the benefit of cultivating more friendship in the school. Membership of the club is governed by scholarship, which requires a B and A standard.

Two of the most outstanding events of the year were the two invitation parties and the entertainment of the La Senia Club of North Cache.

SPARTA PEP CLUB

A school without any spirit is not really a school. Realizing this a group of girls organized the Sparta Pep Club several years ago with an aim of creating pep and enthusiasm for school activities.

To Gloy, Ivean and Lois we give a vote of thanks for their work in guiding this organization. With their able leadership we feel the Sparta Pep Girls have achieved their aim of producing more school spirit for South Cache.

OUR BAND

Under the able direction of our band leader, Mr. W. H. Terry, South Cache band is again among the highest rating schools in the state.

The band has accomplished some splendid work and they attended the Regional and National Contest this year.

In the spring a special party was held honoring the band parents. They were entertained by a concert and banquet.

The school appreciated the support the band gave the student body at the football and basketball games, and for the programs they have participated in.

The school is proud of the band and we hope they will have great accomplishments in the future.

CHINA BOY

"China Boy" was presented on November 28, as the annual school play production. The cast was chosen from the Dramatic Club with Miss Evans and Miss Carlson directing. The performances of the play were very successful.

"China Boy" is a comedy in three acts, written by James Reach and Tom Taggart, copyrighted by Samuel French.

Will and Emily Parker are having a trying time raising their two high school children, Bill and Selma. To add more trouble Mark, a nephew of Mrs. Parker, is coming from China to live with them. He is almost a perfect mortal and always offers a willing hand, plus the right Confucius quotation. In his efforts to make "good" with the Parkers, he makes "wrong" with the high school kids, and vice-versa. Mark finally establishes himself as being a "regular" fellow, but only after every possible laugh is extracted from this richly comic situation.

The cast consists of: Will Parker, Ray Bitters; Emily Parker, Helen Leishman; Bill Parker, Scott Crabtree; Selma Parker, Nedra Larsen; George Robinson, Robert Hammond; Lulu Mae Robinson, Jackie Wright; Charlotte Mack, Ila Larson; Mark Willis, Boyd Chugg; Bob Troutman, Ray Lowe; Voice on Radio, Estis Copen. Extras: Nora Kohler, Leona Hatch, Ella Fuhriman, Garth Anhder, Kenneth Bateman, Ivean Hansen, Anne Jean Carlson, Estis Copen, Edwin Pyle, Darrell Anderson.

FOOTBALL

The Spartan football team of 1940 completed a very successful season under the fine coaching of their new coach, Cliff Poole. Though being the smallest team in the region they were admired by all their opponents for their sportsmanship and team spirit.

With the graduation of many outstanding players and the loss of Coach Bunker the prospects of a brilliant season were unfavorable. With the coming of Cliff Poole the 1940 football season opened on an inexperienced squad and a new coach.

The team opened the season with a 9-6 victory over North Summit in a practice game and a week later won its first region encounter with Bear River 9-0.

In the second game the Spartans fought valiantly but were defeated by the Ogden Tigers 13-0.

By virtue of some lucky breaks coming at the right time the Box Elder Bees downed the Spartans by a 12-0 score.

After holding the upper hand half the game Weber triumphed by a 13-7 score. This was another hard luck game as there was no doubt that the Spartans outplayed the Warriors.

Outweighed by thirty-five pounds to the man the Spartans were humbled by their bitterest rivals, Logan in a game with few breaks.

In a game played on North Caches' snow-covered field the Spartans were beaten by the Bulldogs 21-0, in what may be truthfully said an off day for the Spartans.

Through splendid team work, developed by our able coach, Conley Watts, the Spartans returned to the State Tournament for the fifth time this year.

The team was centered around three returning lettermen, Douglas Long, Ariel Maughan, and Douglas Shelon. The squad was one of the hardest fighting ball clubs Coach Watts has tutored in his six years of coaching at South Cache.

The Spartans won five games and lost three, winning third place in the region. They won one play-off game and one game at the State Tournament.

Ariel Maughan was selected as All State guard and Doug Long and Marvin Abrams received honorable mention.

Dear Layli;

Well, I don't know what to write but I guess it's all night. Well, old kid, here's another year gone by at South Creek and we've got a little more knowledge in our heads (even the best of friends, good) We're still all the quarrels (I hope) and we've made up and still are good friends. You're still the smartest kid, or else you wouldn't have got that trip were sitting and holding our breath for names to be called and holding our breath for the grades. We were sitting and holding our breath for you're one of the smartest people I know and I'm going to come and see you often this summer more often than ever before. I think I'm doing a pretty good job of filling this page. Don't you? I hope you still remember the good old district school days and all the fun that went with it. Don't forget either, our Biology class and that trip to Bear River Bay and those oranges and apples. Between my writing (the book's only on my knee) and these advertisements (how do you spell it?) you can't even read this, but then I guess that won't matter much. I think I've done a pretty good job of filling this page so far and I can't think of anything else to write, and you won't take no for an answer so I guess I can only scribble (as I've been doing) on the rest of the page. I wish that they would call my name so that I would have an excuse to quite, but it will be the last as usual and I am quite close to the bottom so I'll close. Now I can finish between the bumps on the highway. Well, I'll see you again sometime. A good old pal. This is,
